

### Blue-Chip Industrial Firms to Be Honored at Breakfast

Two of Torrance's blue-chip industrial firms—the R. C. Mahon Co. and Kentile, Inc.—will be honored at the March breakfast meeting of the Torrance Chamber of Commerce, it was announced today by Chairmen Fred Brunner and Dr. John L. Bourne.

The meeting will be held at the Masonic Lodge, 2326 Cabrillo, Tuesday, March 29, at 7:20 a.m. Guests from both companies will present brief resumes of operations and plans for the future.

### First Cost Last Cost

Home builders can be assured of real building economy if the first cost of their building materials is their last. It is important to use top-quality materials such as thoroughly cured lumber, ceramic floor and wall tile, and copper water lines.

The Mahon Co., now located at 2303 Jefferson St., will be in new quarters soon, and manufacturing structural steel fabrication and metal roof deck and siding.

Kentile, Inc. under construction at 2929 California St., produces Kentile vinyl asbestos, asphalt tile, cork crystalite, and rubber tile, and Kencove vinyl wall base. Operation will start late in 1960.

### New Attendance Boundaries Go to School Board

Proposed new boundaries for attendance areas at Adams and Wood schools were presented to the school board Tuesday night.

The action was taken because of the approaching opening of Adams School, 2121 W. 238th St., which will drastically reduce double sessions at Wood. The new school is expected to open in mid-April.

Under the proposed boundaries, the Adams attendance area would include all homes southeast of Walnut and Sepulveda, those along 236th St. and south between Arlington and Walnut, those along 237th St. and south between Pennsylvania and Arlighton, and south of the mid-line of 238th St. between Crenshaw and Pennsylvania.

### City Realtors at Fresno State Parley Today

A number of Torrance-Lomita Board of Realtor members have been appointed to important committees of the California Real Estate Association by Edward L. Callahan of Los Angeles, president, it was announced by Lee Dawson, president of the board.

Dawson was appointed to the education committee, Chuck Colsch to the resort-property committee, Jerry Alter to the subdivision-properties committee, and Irene Baker was appointed to the multiple-listing committee.

The committees work on a wide range of projects to improve standards of the real estate industry and to protect property owners and the public in buying and selling real estate.

Most of the CREA committees will meet in Fresno at the Hacienda Motel today through Saturday, 1000 members from all parts of the state will be in Fresno to discuss current projects.

Also to be discussed will be the association's campaign to encourage efficiency and economy in government.

Of special interest at the Fresno meeting will be the report of the CREA legislative committee on proposed legislation affecting real estate and property owners. 8-2345.

### Plaster Kills Noise

Many years of research and development have eliminated what was once one of the most difficult of all home construction problems—soundproofing. The plastering industry has perfected acoustical plasters that maintain the high fire-proofing rating of standard lath and plaster and will subdue noise.
